## Self Drive Rules & Regulation

### International Driving Permit (IDP)

In order to drive a car in Japan, and if you are a Malaysian Driving Licensed Holder (full), get International Driving Licensed from Jabatan Pengangkutan Jalan (JPJ).

The permit may be received the same day, provided that \*application documents are in order.

**Note: \*Price and documentation preparation please refer to Jabatan Pengangkutan Jalan (JPJ)**

02

## Traffic Rules

- Cars keep to the **left** in Japan. Making a left turn on a red light is not permitted.  
However, if a green arrow traffic light is lit, you can turn on the red light as and when indicated by the green arrow.
- Please ensure that the driver and all passengers fasten their **seat belts**, as this is mandatory under the laws of Japan.
- Speed limits are fixed on all roads, whether ordinary or toll roads. Please comply with the relevant speed limit and drive safely.
- Please park at a parking place even if you park only for a short time.
- Please refrain from using mobile phones while driving.
- Penalties for drunk driving are extremely strict in Japan. Penalties can apply if drivers take even a drop before driving. Penalties apply not only to the driver but also to passengers riding with the driver. Never drive after drinking, even a drop.
- Contact your rental car company if you should happen to be in an accident or have a traffic violation.

03

## Toll roads

**ETC (Electronic Toll Collection)** is a system that allows drivers to pay tolls without stopping their cars.

To use this ETC system, inserting an ETC card into the onboard ETC unit installed in the car.

When you drive through an ETC gate, wireless communication takes place between the unit and an antenna installed at the gate.

- Drivers must enter the lane marked as “**ETC専用** (ETC Only)” or “**ETC一般** (ETC/Cash)” when using the ETC.  
“**ETC専用** (ETC Only)” or “**ETC一般** (ETC/Cash)” is indicated at the top of the gate.
- If you fail to insert an ETC card, then “STOP” sign appears and the gate does not open.
- If you see a red light at an ETC entrance gate, use a staffed gate to receive a ticket. And when you exit, use a staffed gate again and hand your ETC card over to the toll collector with the ticket given at the entrance.

04

## From Pick-up to Return:-

### How to pick up your car:

- Upon arrive CTS airport, proceed to the car rental company desk. (Direction map will be provides upon booking confirmation)
- Please show your passport & voucher to the staff & they will arrange the free shuttle from airport to car rental shop.
- After arrive at the car rental shop, renting procedure is taken by the staff.
- Business Hour : 0700hrs - 2300hrs
- In case, the returning car time cannot meet the car rental company operating hour. Day 5 will change from Sapporo hotel to Chitose airport hotel & return the car on Day 5

### Pick up Necessary items:

- An international driving permit valid in Japan

- You will be requested to read the Rental Agreement and other related papers, and sign if you agree with the terms and conditions.
- Payment by credit card is required at the time of pick-up.
- Our staff will ask you to check and confirm the exterior of the vehicle. If you find any damage on the vehicle, please inform staff at this time.

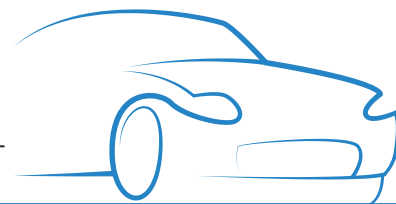

### Return procedures:

- Please return vehicles with a full tank of fuel.
- Present fuel receipt on return.
- Staff will check the vehicle with you. Do not leave any personal belongings in the vehicle.
- Staff will take out ETC card from the car and check the highway toll fee after will bill to the customer.
- Customer pays ETC toll fee all together on the spot (by cash or by credit card).
- After all payment is done, take the free shuttle service to the airport (please show the staff for your flight details).
- You may be charged for any additional charges, if any.
- Please return car at least 3 hours before flight to avoid any delay in check in process.

05

## Payments / Cancellation Policy:

- Full payment need 30 days before traveling date.
- 50% charge applied 15 days before traveling date.
- Full charge applied 7 days before traveling date.

## CAR INSURANCE

In the unfortunate event of an accident, our insurance policy provides coverage within following limits:-  
The following amount will be paid as compensation for an unexpected accident.

Personal Injury Liability :	Unlimited coverage for each person (Including Japanese mandatory liability insurance)
Property Damage Liability:	Unlimited coverage for each accident (JPY50,000)
Collision Coverage	JPY50,000 deductible per accident. (For accidents less than JPY50,000, the customer is responsible for the damages.) *The customer shall be responsible for deductibles, damages which exceed insured amounts, or accidents which are not covered by our insurance policy.

# NON-OPERATION CHARGES (NOC)

In an accident occurs, a Non-Operation Charge (NOC) is billed to the customer to recover some of the business losses while the vehicle is in repair. The charges are as follows:

Injury Classification	NOC
Vehicle is drivable and is returned to the scheduled return location	JPY20,000
Vehicle is not drivable, or is not returned to the scheduled return location	JPY50,000

## Damages that Insurance does not cover:

- The amount of damage that insurance does not cover or exceeds the insurance limitation shall be covered by the customer.
- Examples of Cases that insurance was not paid.
- The accident was not reported to the police (an accident report was not obtained).
- The accident was caused by a driver different from the one who applied a driver at departure.
- The accident was caused by a driver without a driver's license.
- The accident was caused by drink driving.
- The accident occurred after the original rental period but car rental company was not notified of a rental extension in advance.
- Other facts that violate the Rental Agreement of Rental & Leasing.
- Example: In the event of a car theft when the key was left in the car.
